

## Aaron: Age 13

Aaron is very talkative, outgoing, and friendly young man. He is energetic and has a great sense of humor. He enjoys movies, playing with his friends, watching TV and playing on the computer. One of his favorite experiences is attending Demolition Derbies. He hopes to one day get to play football again. Aaron loves animals and farm life and would prefer to live in a rural setting or in a small town.

Aaron needs a family who can provide a very structured, stable and predictable environment. Aaron would do best in a family that helps him feel safe and has parenting experience. Aaron would prefer a family with siblings and pets. It would be best if he was the youngest child in the home.

Following adoption, Aaron would need to remain in contact with his sister.
