

Zach is an amazing kid with the heart of a little boy.

Zachary

11 years old

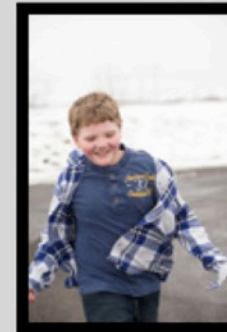

**Zach loves being active and busy!
He enjoys shoveling the driveway, building
snow forts, swimming at the local YMCA,
riding bike, shooting hoops, going for
walks, and even grocery shopping!**

Zach is a personable and lovable little guy! He enjoys imaginary play and loves to “change tires” with his Bob the Builder tool set. He flourishes when there is predictability and consistency with his daily schedule. He is affectionate and loves hugs.

Zach is looking for a family to help him maintain frequent contact with a big sister that he cherishes and his wonderfully involved grandparents. Zach’s family will have an understanding of the needs of children who have long histories of trauma. They will have the ability and desire to access supports and resources to help Zach grow and thrive, and will have an understanding and commitment to being Zach’s lifelong parents. Zach will benefit from being the only child, allowing him the time and attention that will help him flourish.
